

Sixth Grade Summer Book Report Requirements

All students entering sixth grade are to complete one book report. The book must be selected from the Sixth Grade Suggested Reading List.

Summer book reports must be at least 3 paragraphs. Each paragraph must be 4-6 sentences.

*Paragraph 1: An introduction that describes the setting and personality of the main character

*Paragraph 2: A description of the main conflict or action

*Paragraph 3: A conclusion that tells how the conflict is resolved.

Your report must be typed (double spaced) and turned in to Mrs. Klein by the first Tuesday of the school year.

Happy reading! I'm looking forward to meeting you in August.
